Please read the following information very carefully before you begin your application process. This information should answer most of your questions regarding the application and student visa process. Questions about Immigration and concerns specifically relating to international students should be directed to the school director.

## **I. Admissions**

The following documents are required to get enrolled and be issued an I-20 Form. The I-20 form is needed to apply for a student visa at the U.S. Embassy in your home country:

- Enrollment Application
- Application fee - \$50.00 USD
- High school/secondary school transcript
- I-20 application form
- \$1000 Tuition Deposit (refundable)

### **The Application**

To begin the process, you must first submit a completed application form with the \$50.00 USD application fee. The application can be mailed or faxed, or you may enroll online. The web address for the online application is: [www.nptifitness.com](http://www.nptifitness.com)

The following methods are acceptable for payment of application and tuition fees:

- Electronic bank transfer - Please contact the school electronic transfer information
- Check drawn on a U.S. bank
- Any of these major credit cards: VISA, MasterCard, American Express, Discover, or Debit Card

### **Tuition and Living Expenses**

#### **Payment of Tuition**

You may pay your tuition in one lump sum or you may wish to take advantage of the payment plan noted on the Enrollment Agreement. Please contact your Admissions Representative for payment details.

## **III. Visa Information**

You will need an M-1 student visa. This visa will allow you to study for the duration of your program and does require full time study. Before applying for your visa, you should either contact the Consulate/Embassy or visit their website to determine the requirements for applying for the M-1 student visa in your home country.

*<http://www.usembassy.gov>*

In order to obtain an M-1 student visa you will need an I-20 Form (Certificate of Eligibility for Non immigrant Students). For the I-20 Form to be issued, your Admissions file must be complete. All documents must be reviewed and accepted.

PLEASE NOTE: If you are a citizen of Canada or Bermuda, a visa is not required to enter and study in the U.S. However, the I-20 Form is required for student status.

**SEVIS Fee Payment**

The SEVIS I-901 fee is mandated by Congress to support the Student and Exchange Visitor Program (SEVP) and the automated system that keeps track of students and exchange visitors and ensures that they maintain their status while in the United States. Each student or exchange visitor issued an initial Form I-20 or DS-2019 is responsible for paying the \$200 fee to SEVP. The fee can either be paid by mail with a check, via the Internet using a credit card or through Western Union.

For more information, please visit the U.S. Immigration and Customs Enforcement website. The link to their website is [www.ice.gov/sevis/i901/faq2.htm](http://www.ice.gov/sevis/i901/faq2.htm). Confirmation of the SEVIS Fee payment is required before the visa will be issued. This confirmation must be filed with your visa application.

PLEASE NOTE: Although citizens of Canada and Bermuda are not required to apply for a visa to study in the U.S., they are required to pay the SEVIS Fee.

**Students or Other Applicants Already in the U.S.**

If you are already enrolled in a school in the U.S on an F-1 student visa, an electronic SEVIS transfer can be done. We will provide you with a transfer form that will have to be completed by your International Student Advisor at your current school. Immigration does not assess a fee for the transfer.
